DESCRIPTION

BrassCraft Speedi Plumb® PLUS 3/8 in. Compression inlet x 1/2 in. Female Iron Pipe outlet flexible braided polymer water connector is corrosion resistant inside and out. Used to connect the water supply to your faucet, this connector features a high tenacity, multi-filament yarn, protected by a special polymer coating for optimum corrosion resistance and durability. On the inside, our tough PVC tubing resists attack by chlorine, chloramines and other corrosive elements. The braided polymer fibers are designed to bend freely without kinking or

crimping.
